Dear Mr. Kingston:

RE: Insurance Requirements, Co-Op Mining Company, Bear Canyon Mine, ACT/015/025, #5, Emery County, Utah

The Division was notified on August 1, 1985 that a substantive change (cancellation of policy #GL 10 01 179) had been made in the insurance policy for the Bear Canyon Mine. It is our understanding that as of this date Co-Op is covered by two policies, one with Rockwood Insurance Company (GLA 294754 - \$500,000 combined single limit) and Genstar Indemnity (NEX 24521 - excess layers up to \$2,500,000.00).

In accordance with UMC 806.14(b) and (c) (now 800.60), the policy must be maintained in full force during the life of the permit or any renewal thereof, including completion of all reclamation operations and the policy shall include a rider requiring that the insurer notify the Division whenever substantive changes are made in the policy including any termination or failure to renew. Please be advised in the future that it is your obligation to notify the Division whenever substantive changes are made in the insurance policy.
